A NETWORK OF SPIES - OLD LAMP ANNOUNCES NEW PROJECT INSPIRED BY WW2 HEROINE

[London - 16th February 2026] Old Lamp Entertainment is pleased to announce it has begun development on its latest exciting project, WW2 based spy thriller '**ODETTE**'.

'**Odette**' is a historical ww2 spy drama, set in Nazi occupied France. It tells the story of an ordinary French woman undertaking a mission that could turn the tide of the war. Inspired by the extraordinary exploits of one of the most courageous operatives Odette Sansom and dedicated to all the brave women and men of the Special Operations Executive.

"Our goal with '**Odette**' is not only to tell a compelling historical story, but to honour a legacy of courage that still resonates today," says director / producer Mike Archer. "Our hope is that this movie will keep on bringing interest and recognition of the woman who helped shape our history."

Old Lamp is set to re-team with Actress / Producer's Carole Le Clanche (**The Harry Hill Movie**) and Anna Ruben (**Secret Service**) with Mike Archer directing and Luisa Guerreiro (**The Toxic Avenger**) serving as Old Lamp's Associate Producer.

The Project is currently in development for late 2026 with festival submissions planned following completion and eventual release through Old Lamp Entertainment towards 2027.
